

## The PE and Sport Premium Spend Impact Report 2021– 2022

At St Mary’s CE Infant School we recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

The PE and sport premium is part of a government initiative designed to help primary schools improve the quality of the PE and sport activities they offer their pupils so that they develop healthy lifestyles. Every primary school in the country has been provided with funding to support additional sports provision.

**For the academic year 2021-2022 the total amount allocated to St Mary’s CE Infant School was £16570**

**Total Spent: £15842**

Use of funding	Impact on PE and Sport Participation	Cost	Sustainability and suggested next steps
